Face to Face / Sonoma County Aids Network will receive proceeds from The Beerfest. Since 1985, Face to Face has been providing free services to men, women and children living with AIDS and HIV in Sonoma County. With the help of a very supportive community, the fine work of Face to Face continues as the critical need for these supportive services persists.

The Beerfest has established a stellar reputation in Northern California and beyond and is known simply as "The Good One!" In addition to tasting from more than 30 of Northern California's finest microbreweries, the event is a food tasting and Foodfest too. A matching number of food purveyors offer exceptional gourmet creations for sampling - BBQ ribs to elegant hors d'oeuvres! *Your ticket includes all food and beverage tasting!* Which is the best microbrewery in Northern California and who is serving the best Beerfest food? Your very own "People's Choice" ballot will let you be the judge! There will be a robust raffle and a few new surprises this year! Sonoma County's own Dgiin will provide upbeat and fun French Gypsy Funk for this year's Beerfest - wear those dancing shoes!!
